In re Patent No. 5,663,496
Issue Date: September 1, 1997
Application No. 08/466,219
Filed: June 6, 1995
Attorney Docket No. 555642001400

ON PETITION

This is in response to the communication received January 18, 2007, which is being treated as a supplement to the request under 37 CFR 3.81(b) of March 14, 2006, to delete the name of the assignee on the front page of the above-identified patent by way of a Certificate of Correction. A decision granting the request was mailed on January 11, 2007. However, because the fee submitted with the request was in excess of that required, the fee was credited back in whole to the credit card and could not be recharged for the correct amount. In view thereof, a communication was mailed on January 25, 2007, which stated that the request was dismissed since the fee required for the request could not now be charged.

The communication of January 18, 2007 authorizes charging of the \$130 fee. Accordingly, in view of the authorization, it would now be appropriate to issue a Certificate of Correction.

The request under 37 CFR 3.81(b) is **GRANTED**.

The patent file is being referred to the Certificates of Correction Branch for issuance of the requested Certificate of Correction.

Telephone inquiries concerning this decision may be directed to the undersigned at (571) 272-3218. Inquiries regarding the issuance of a certificate of correction should be directed to the Certificate of Correction Branch at (571) 272-4200.
